

## Carlson and Walz receive WSLs awards

Crystal Carlson, a freshman at the University of Wisconsin-Superior and daughter of Mark and Rhonda Pierick and Dennis Carlson, and Mary Walz, Math teacher at Sauk Prairie High School, were honorary guests at the WSLs (Wisconsin Society of Land Surveyors) conference in Green Bay on January 22. Carlson placed 1<sup>st</sup> in the state Trig-Star competition, out of 222 participants. Walz received the Teacher of the year award for her participation and promotion of the Trig-Star competition. The Trig-Star competition is put on by the WSLs to any high school student, to test their skills in trigonometry and the laws of math. Al Schneider is the state coordinator for the event and Rodney Key is the facilitator for the Sauk Prairie area. They are both members of WSLs. Both Carlson and Walz won a plaque and prize of \$500. Above, from left, are Al Schneider, Krystal Carlson, Mary Walz, and Rodney Key.
